

Santa Fe Productions

Production Rates - 2007

Rates are based on a 10 hour production day. Half-day rates are available in some circumstances. Proof of insurance/credit check is required to rent production equipment unless involved in a co-production agreement (email us for more information).

All camera packages include video tech/operator in the price. Standard package includes tripod, batteries, AC power, wireless lavalier and short shotgun -- Assistant Camera/Grip is included for an additional charge that includes "videography lighting package (lowel DP kit plus Kino-Flo, chinese lantern mini-spacelight, gel pack and expendables kit). Transportation charges are extra if production is outside of New York City.
